

Worried about what it would be like to host a student from the other side of the world? Here are quotes from host families that attended the camp last year:

"I wanted to thank all of you for the wonderful three week camp! Hosting Phillip and Lucy was absolutely a memorable and rewarding experience. They were wonderful children and we really enjoyed having them in our home. We felt the camp was very well run, and the opportunities for all the great field trips with the Chinese students was a real treat for our kids. Even though we are not Lake Shore students, we felt very welcome."

"First of all, thank you for all your hard work, this was a great experience for our whole family. Beth has been crying on and off all day since Betty left, we are already looking forward to seeing her in 2014."

"Thank you!
It was a great experience hosting Ella and Henry. They are very much missed!"
